To whom it may concern,

Event Planet has worked extensively with Joseph and Lippsinc Entertainment and without a doubt, Lippsinc is top of the charts when it comes to our client's preference for musical entertainment and expert DJ skills required at their events.

Joseph and the innovative artists represented by Lippsinc are true professionals and we trust Joseph and his entertainers implicitly to take control of our guest's event experience and journey whilst enjoying the other gems woven into the event program.

It takes true skill to be a fantastic entertainer and Joseph has certainly earned the title of Sydney's best talent manager!!! Once you work with Joseph, you will never look back.
